

## Capabilities Statement

### About Us

Reliant Systems Integration (RSI) is a turnkey solutions provider of integration and testing services. Our core customers are government agencies and original equipment manufacturers. The company was formed for the sole purpose of providing these organizations with world class, value-added support services in the following areas:

- Systems Integration
- Testing Services
- Cable & Harness Assembly
- Kitting Services

We offer cost effective solutions that allow our customers to focus on what they do best. Our team of seasoned technical and operations personnel have more than 150 years of hands on engineering, systems design, and manufacturing expertise and stand ready, willing, and able to assist you.
